GENERAL INSTRUCTIONS: This form is for use in rendering, pursuant to Tax Code §22.01, tangible personal property used for the production of income that you own or manage and control as a fiduciary on January 1 of this year.

FILING AND DEADLINES: Rendition statements and property reports must be delivered to the chief appraiser after January 1 and **not later than April 15**, except as provided by Tax Code §22.02. On written request by the property owner, the chief appraiser shall extend a deadline for filing a rendition statement or property report to May 15. The chief appraiser may further extend the deadline an additional 15 days upon good cause shown in writing by the property owner. Pursuant to Tax Code §22.02, if an exemption applicable to a property on January 1 terminates during the tax year, the person who owns or acquires the property on the date applicability of the exemption terminates shall render the property for taxation within 30 days after the date of termination. If the chief appraiser denies an application for an exemption for property subject to rendition pursuant to Tax Code §22.01(a), the person who owns the property on the date the application is denied shall render the property for taxation in the required manner within 30 days after the date of denial.

INSPECTION OF PROPERTY: Pursuant to Tax Code §22.07, the chief appraiser or his authorized representative may enter the premises of a business, trade, or profession and inspect the property to determine the existence and market value of tangible personal property used for the production of income and having a taxable situs in the district.

REQUEST FOR STATEMENT REGARDING VALUE: Pursuant to Tax Code §22.07, the chief appraiser may request, either in writing or by electronic means, that the property owner provide a statement containing supporting information indicating how value rendered was determined. The property owner must deliver the statement to the chief appraiser, either in writing or by electronic means, not later than the 21st day after the date the chief appraiser's request is received. The statement must:

- (1) summarize information sufficient to identify the property, including:
 - (A) the physical and economic characteristics relevant to the opinion of value, if appropriate; and
 - (B) the source of the information used;
- (2) state the effective date of the opinion of value; and
- (3) explain the basis of the value rendered.

Failure to comply in a timely manner is considered to be a failure to timely render and the Tax Code requires that penalties be applied by the chief appraiser.

PENALTIES: The chief appraiser must impose a penalty on a person who fails to timely file a required rendition statement or property report in an amount equal to 10 percent of the total amount of taxes imposed on the property for that year by taxing units participating in the appraisal district. The chief appraiser must impose an additional penalty on the person equal to 50 percent of the total amount of taxes imposed on the property for the tax year of the statement or report by the taxing units participating in the appraisal district if it is finally determined by a court that:

- (1) the person filed a false statement or report with the intent to commit fraud or to evade the tax; or
- (2) the person alters, destroys, or conceals any record, document, or thing, or presents to the chief appraiser any altered or fraudulent record, document, or thing, or otherwise engages in fraudulent conduct, for the purpose of affecting the course or outcome of an inspection, investigation, determination, or other proceeding before the appraisal district.

SPECIAL INSTRUCTIONS: Effective January 1, 2014, certain dealers of motor vehicle inventory may elect to file renditions under Tax Code, Chapter 22, rather than file declarations and tax statements under Tax Code, Chapter 23, Tax Code, Section 23.121(a)(3) allows a dealer to make this election if it (1) does not sell motor vehicles that are self-propelled and designed to transport persons or property on a public highway; (2) meets either of the following two requirements: (a) the total annual sales from the inventory, less sales to dealers, fleet transactions, and subsequent sales, for the preceding tax year are 25% or less of the dealer's total revenue from all sources during that period, or (b) the dealer did not sell a motor vehicle to a person other than another dealer during the preceding tax year and the dealer estimates that the dealer's total annual sales from the dealer's motor vehicle inventory, less sales to dealers, fleet transactions, and subsequent sales, for the 12-month period corresponding to the current tax year will be 25% or less of the dealer's total revenue from all sources during that period; (3) files with the chief appraiser and the tax collector by August 31 of the tax year preceding January 1 on a form prescribed by the comptroller a declaration that the dealer elects not to be treated as a dealer under Tax Code, Section 23.121 in the current tax year; AND (4) renders the dealer's motor vehicle inventory in the current tax year by filing a rendition with the chief appraiser in the manner provided by Tax Code, Chapter 22. A dealer who makes this election must file the declaration annually with the chief appraiser and the tax collector by August 31 of the preceding tax year, so long as the dealer meets the eligibility requirements of law.

Effective January 1, 2014, a dealer of heavy equipment inventory may render its inventory by filing a rendition statement or property report as provided by Tax Code, Chapter 22. If the dealer files a rendition, the dealer is not considered to be a dealer as defined by Tax Code, Section 23.1241(a)(1). A heavy equipment inventory dealer has the option to render or to file declarations and tax statements, without filing additional declarations with the chief appraiser or tax collector.

Tax Code, Section 22.26 states:

- (a) *Each rendition statement or property report required or authorized by this chapter must be signed by an individual who is required to file the statement or report.*
- (b) *When a corporation is required to file a statement or report, an officer of the corporation or an employee or agent who has been designated in writing by the board of directors or by an authorized officer to sign in behalf of the corporation must sign the statement or report.*

Tax Code, Section 22.01 (c-1) states:

In this section:

- (1) *"Secured party" has the meaning assigned by Section 9.102, Business & Commerce Code.*
- (2) *"Security interest" has the meaning assigned by Section 1.201, Business & Commerce Code.*

Tax Code, Section 22.01 (c-2) states:

With the consent of the property owner, a secured party may render for taxation any property of the property owner in which the secured party has a security interest on January 1, although the secured party is not required to render the property by Subsection (a) or (b). This subsection applies only to property that has a historical cost when new of more than \$50,000.

Tax Code, Section 22.01 (d-1) states:

A secured party is not liable for inaccurate information included on the rendition statement if the property owner supplied the information or for failure to timely file the rendition statement if the property owner failed to promptly cooperate with the secured party. A secured party may rely on information provided by the property owner with respect to:

- (1) *the accuracy of information in the rendition statement;*
- (2) *the appraisal district in which the rendition statement must be filed; and*
- (3) *compliance with any provisions of this chapter that require the property owner to supply additional information.*
